Minutes of the Previous Meeting

The minutes of the previous meeting were accepted by Oliver Dittamo and it was seconded by Kevin Barnes.

Council Liason

Debbie Andriani reported that the PAL football field has to be redone-the drainage project was unsuccessful-the last rain showed that the drainage didn't work properly. With the work being redone, the field will need to be closed until Spring 2013. An orange construction fence is needed to close off the field to keep everyone off. The Minnisink Field project is completed and the field will be closed until September.
